

17 January 2011

Dear Ms / Madam / Sir,

RE: 3rd National Resuscitation Conference 2011

We would like to invite you to attend the 3rd National Resuscitation Conference 2011. This conference, conducted every 5 years, is the premier resuscitation conference in Malaysia and it is organized in conjunction with the release of the latest international ILCOR CPR guidelines in late 2010.

This conference will be held at the Gurney Resort Hotel Penang from the 17th to 19th March 2011. Our program includes workshops on ECG recognition (17th March), Emergency Procedures (17th March) and the Advanced Life Support Instructors Course (19th to 20th March). These workshops offer limited places which are on a first come first served basis. Please do email us in advance to book your place.

The main conference aims to discuss the new guidelines and issues related to the training and practice of CPR in this country; at the same time, we hope to make available CPR training resources and handbooks for our trainers in this country. Our international faculty of speakers include experts from the United States, Australia, Singapore and Malaysia.

We attach a copy of the information leaflet and registration forms for your attention; which includes further details of the conference. The conference fees will cover conference materials and meals during the conference; travel and accommodation costs are not included.

Please do feel free to email us should you have any further enquiries. We do look forward to seeing you during the conference in March 2011.

On behalf of the Organizing Committee, allow me to extend our welcome to you and your colleagues to the conference and to Penang.

Sincerely,

Dr Teo Aik Howe
Scientific Chairman, on behalf of the
Main Organizing Committee,
3rd National Resuscitation Conference 2011
